The graphic is a promotional poster for the Summer Meals Locator. It features a teal background with a purple bottom section. On the left, there is a stylized sunburst graphic with the text 'POWER UP for Summer Fun!' and an upward-pointing arrow. The main text is arranged in three horizontal bands: a yellow band at the top with the title 'SUMMER MEALS for KIDS & TEENS Being Served in Your Community', an orange band in the middle with contact information, and a yellow band at the bottom with eligibility information. A QR code is located in the purple bottom section on the left, and a footer with the USDA logo and tagline is at the very bottom.

The Summer Food Service Program offers free, nutritious meals to children 18 years and younger during the summer when school is not in session.
