## Introduction

**We are pleased to announce the 3rd year of the...**

### **Unionville-Chadds Ford Summer Academy and Academic Credit Opportunities!**

Our summer programs will be available the summer of 2010 beginning Monday, June 21 and ending Friday, July 30, however, some program dates vary so please be sure to refer to the course catalog. We are thrilled to provide an opportunity for our students to learn and challenge themselves in a variety of exciting topics and subject areas.

This summer we have four categories of programs; 1) Thirteen summer enrichment programs open to elementary, middle and high school students from our district and the surrounding community. 2) Two Academic Courses for credit for UCFSD students. These courses will be open to students from other districts (space permitting) however, we cannot guarantee course credit. Please check with your district to confirm. 3) Two onsite Delaware County Community College (DCCC) credit courses. These two courses are dual enrollment courses (offered to UHS students only) and will provide credit both at Unionville High School and DCCC. 4) A Driver Education classroom enrichment course provided by the Chester County Intermediate Unit (CCIU) will be offered onsite.

Courses are filled on a first come, first served basis. Registration is open until May 18th . Open course registration (for the 13 enrichment courses only), if space is available, will take place at the District Office from May 28th – June 4th. Grade level indications for each course represent grades students will be in during the 10-11 academic year.

***\*NOTE: Registration deadline does not apply to High School credit, dual enrollment and Drivers Education courses. Please refer to pages III and IV for more detailed information.***

## Unionville High School Course and Registration Information

### I. Academic Courses For Credit

The Summer Academy will offer two courses for original credit. These are open to Unionville High School students and non-UHS students, if space is available. Non-UHS students will have to consult with their high school regarding awarding of credit. All original credit courses follow the standard Unionville High School curriculum. As such students should be prepared for a fast paced and rigorous course of study. For UHS students, final grades will be part of a student's transcript and GPA calculation. Please contact Unionville High School Counseling Center for registration and academic information at 610-347-1600.

#### Health - 11th Grade

Students will experience lessons dealing with contemporary issues in nutrition, exercise, stress management, cardiovascular disease, substance abuse, and theories of addiction. Students will also learn first aid concepts and CPR. **Students will have the opportunity to receive CPR certification through the American Red Cross.** Assessments will include practical examination, in-class homework assignments, and written tests. This course will be offered as a two week 30 hour course for .5 credit. The program will run Monday - Friday, June 21 - July 2 from 11:00am - 2:00pm. Classes will be held at the Charles F. Patton Middle School. Tuition is \$225. Please contact Unionville High School Counseling Center for registration and additional information at 610-347-1600.

## **Physical Education - 11th and 12th Grade**

The Unionville High School summer physical education class provides a similar experience and content as the traditional physical education course. This three week course is divided into two units of study. The first unit addresses health related components of fitness. Specifically, students will study muscular strength, muscular endurance, cardiovascular fitness, flexibility, and body composition. The second unit focuses on life-long fitness activities. This unit includes three field trips for rock climbing, canoeing, and mountain biking. This three week .25 credit course will run June 21-July 9. The first two weeks will meet from 8:00-10:30am, Monday - Thursday. The third week will meet 8:00am - Noon (Field Trip Days) Tuesday - Friday. Tuition is \$225. Field Trip fees are **NOT** included. Approximately \$45 total will be required for those trips. Classes will be held at the Charles F Patton Middle School. Please contact the Unionville High School Counseling Center for registration and additional information at 610-347-1600.

## **II. Dual Enrollment - DCCC and UCFSD Courses for Credit**

The Summer Academy will be offering two Dual Enrollment Courses for Unionville High School 11th and 12th grade students only. International Business and Introduction to Medical Terminology will be offered in a three week program from July 12 - July 30, 9:00am to Noon, Monday through Friday. Classes will meet in the Charles F. Patton Middle School. Please contact the Unionville High School Counseling Center for details (610) 347-1600. Tuition and fees are \$783.00 per course. **Applications must be received by May 14th.**

## **III. Academic Enrichment**

The Summer Academy will be offering Driver Education through the Chester County Intermediate Unit (CCIU) program. The program will run from June 21 - July 9. Please contact the CCIU at 484-237-5189 for registration, program and course details. This course is open to Unionville High School students age 15 and older. Non-Unionville students may apply and participate if space is available. Class is limited to 30 students.

## **Drivers Education**

Classroom driver's education course designed to prepare students for behind the wheel training. Laws of the road, safety, and driver responsibilities will be covered. Classes will not be held on Monday July 5th due to the holiday weekend. Classes will be held at Charles F. Patton Middle School. The classes will run as follows: Week 1 - June 21- 25, Monday - Friday, Week 2- June 28-July 1, Monday - Thursday and Week 3 - July 6 - 9, Tuesday - Friday. All classes will run from 8:00 - 10:15am. For more information and registration please contact Ms. Del Brown at 484-237-5189. Cost: \$215 (subject to change).

# Algebra I Refresher

Sure, you finished Algebra 1, but do you remember it? Did you ever really “get it”? This summer you have a second chance to really solidify and reinforce the essential skills necessary for future courses such as Algebra II, Trigonometry and Calculus. The importance of knowing your basic algebra skills can’t possibly be overstated. Your “math” future depends on it.

Join us for a trip down memory lane (including topics like graphing linear equations, factoring quadratics, solving quadratics equations, simplifying exponents and simplifying radical expressions). Sign up today to reserve a space in this 10 hour review workshop!

**Instructor:** Ms. Julie Toy is a secondary math teacher. She has 8 years of experience at both Unionville High School and Charles F. Patton Middle School and 12 years of private tutoring experience grades 6 through 12.

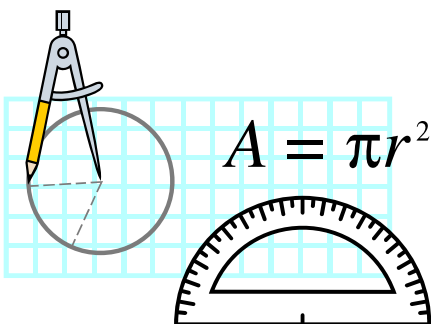

**Session 6:** July 26-30  
**Grades:** 6th-12th

**Course#** SA-420  
**Time:** 10:30 - 12:30pm

**Charles F. Patton Middle School Campus**

Maximum Enrollment: 20 Cost: \$200 per student

## Pre-Algebra Refresher

Are you heading into Algebra I next year? Could you use just a bit more work on those crucially important “fundamental” math skills (like simplifying fractions, decimals, variable expressions and solving multi-step equations – to name just a few)? Two major keys to success in Algebra are a high level of confidence and a solid math foundation; so, spend a week this summer working on both of those goals. Don’t let summer go by without preparing yourself for next year. Reserve your spot right now for a fast paced, worthwhile week of math camp!

**Instructor:** Ms. Julie Toy is a secondary math teacher. She has 8 years of experience at both Unionville High School and Charles F. Patton Middle School and 12 years of private tutoring experience grades 6 through 12.

**Session 6:** July 26-30  
**Grades:** 6th-12th

**Course#** SA-422  
**Time:** 8:00 – 10:00am

Maximum Enrollment: 20 Cost: \$200 per student

## Make Your Own Mosaic Bird Bath and Learn about Local Birds

Students will make an original mosaic birdbath to use in their own back yard in this class. This enrichment offering will introduce children to a lifelong appreciation of Pennsylvania's wild birds. Students will learn to identify common backyard birds such as the American Goldfinch, Black-capped Chickadee, Eastern Bluebird, and the Red Bellied Woodpecker. Each child will maintain a bird journal throughout the week. Mornings will be spent in the C.F.P.M.S. Nature center and afternoons will be spent in the art room.

**Instructor:** Ann Ferron has taught art at the Patton Middle School for 24 years. She and her family are lifelong residents of Unionville. For the Curtis/Ferron family, bird watching has always been a rewarding pastime, whether it is along the coast of Maine, at the Chesapeake Bay or the backyard in Unionville.

## Chess For Beginning & Experienced Players

Spend a week playing and learning about chess from the Silver Knights chess coaches! Our coaches are highly-rated professional chess instructors. We have taught tens of thousands of children, including the 2008 national champions for first and second grade. Campers are broken up into groups by skill level, so we accept anyone from beginners up through experienced and highly-rated tournament players. Each camper receives a T-shirt and a tournament-style chess set. Activities include learning openings, tactics, endgames, studying master games, playing games against fellow students, and analyzing the students' games.

**Instructor:** Silver Knights Chess coaches are highly rated professional Chess instructors . For more information see website at <http://www.silverknightschess.com/>

# Eco-Trek Adventure Camp

If you love adventure, travel, new friends and the great outdoors, this is the camp for you. Every day, we will journey to an amazing variety of venues where you will gaze in wonder, challenge yourself, and participate in unique and unforgettable experiences. There are three weeks from which to choose, and you can sign up for one week, two weeks or all three. Every week will include a different overnight experience. A complete brochure can be obtained from Katherine Bodenstab at [kbodenstab@ucfsd.org](mailto:kbodenstab@ucfsd.org), or (610) 416-8702. Some of the adventures this year include whitewater rafting in the Poconos, kayaking, sailing, canoeing, Hershey Park, Camelbeach Water Park, Wildlife Safari Park, Echo Hill Outdoor School and Six Flags. The overnight for week one is at Hershey, the second overnight is at the Baltimore Aquarium - "Sleep with the Sharks" and the third overnight is at the beach. More details on page 14.

**Instructor:** Ms. Katherine Bodenstab has been a 6<sup>th</sup> & 7<sup>th</sup> grade science teacher at Patton Middle School for 7 years. In previous years she taught science for students in grades K-5 at Upland Country Day School. She coaches middle school lacrosse and field hockey and is the student council advisor. She has directed summer camps since 1995.
