STANDARD OF QUALITY:

Where trade names are specified, it will be understood to indicate a standard of design, method of construction, finish quality or capacity of output or service, and is not intended to limit competition thereon or indicate any desire to exclude any similar articles which may be equal in every respect to the kind mentioned. However, where specific brand or trade names are noted, the bidder must indicate on the bid form if substitutes are being bid upon. The Unionville-Chadds Ford School District shall be the sole judge as to equivalents and its decision shall be final.

Where items are specified by name and/or brand and the bidder intends to furnish another item which they consider equal thereto, in every such instance the name and brand of the alternate must be specified on the bid form and must be accompanied by a sample. Samples and specifications of the proposed equal or alternate, marked with the bid item number and bidder's name, must be provided with the bid as per these bid specifications.

All items shall be accompanied by a sample where required in the bid item description section. Also, samples of any and all alternates for specified brand items must accompany the sealed bid. If it is impractical to provide an actual sample due to cost or size of an item, a "cut sheet" must be supplied which gives a full description and complete specifications. Sealed bids and required samples must not be submitted in the same package. Failure to submit required samples, clearly marked with your company's

name and our bid item number, may disqualify the bid. Submitted samples not clearly and properly marked will not be considered, analyzed, or evaluated.

Should it be necessary to request samples subsequent to the bid opening, the same must be provided within three working days of being notified. The Unionville-Chadds Ford School District assumes no responsibility for damages in testing samples.

NON-COLLUSION AFFIDAVIT:

Each bidder shall complete and submit the Non-Collusion Affidavits attached to the Bid Form, in accordance with the following:

1. The Non-Collusion Affidavit is material to any contract awarded pursuant to this bid. According to the Pennsylvania Antibid-Rigging Act, 73 P.S. 1611 et seq., governmental agencies may require Non-Collusion Affidavits to be submitted together with bids.
2. This Non-Collusion Affidavit must be executed by the member, officer, or employee of the bidder who makes the final decision on prices and the amount quoted in the bid.
3. Bid rigging and other efforts to restrain competition and the making of false sworn statements in connection with the submission of bids are unlawful and may be subject to criminal prosecution. The person who signs the Affidavit should examine it carefully before signing and assure him/herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the bidder with responsibilities for the preparation, approval or submission of the bid.
4. In the case of a bid submitted by a joint venture, each party to the venture must be identified in the bid documents, and an Affidavit must be submitted separately on behalf of each party.
5. The term “complementary bid” as used in the Affidavit has the meaning commonly associated with that term in the bidding process, and includes the knowing submission of bids higher than the bid of another firm, any intentionally high or noncompetitive bid, and any other form of bid submitted for the purpose of giving a false appearance of competition.
6. Failure to file an Affidavit in compliance with these instructions will result in disqualification of the bid.
